

Max Georgopoulos	Toronto 416-804-8644 max123358@gmail.com  github/maxgeor dribbble/maxgeo maxgeorgopoulos.com	Primarily a frontend engineer, with full-stack experience. I've owned multiple features, taking responsibility for planning, development, and release.  I also have product design experience (in-house & freelance). My blended skills let me bridge gaps within product teams and ship polished interfaces.
